Professional Summary

SEO Specialist with 3+ years of experience in the Egyptian, Saudi, and UAE markets, specialized in SEO for legal, medical, and business-services websites. I combine technical SEO, content strategy, GA4 and Search Console analysis, and brand visibility optimization. I have helped clients grow organic traffic by 60% to 140% and generate hundreds of monthly inquiries from organic search.

Key Achievements

- Grew organic traffic for a Saudi law firm website by 120% in 6 months, with 40+ commercial keywords reaching the top 10.
- Increased organic leads by 85% on service pages through UX, content, and schema improvements.
- Earned client visibility in AI Overviews for 25+ commercial queries.
- Managed SEO for 20+ projects across full-time and freelance work.

Professional Experience

SEO Specialist | El-Mrooj Digital Marketing

Oct 2025 – Present

- Manage SEO roadmaps for 6 active clients in legal, medical, and commercial sectors, aligned with growth and revenue goals.
- Increased average organic traffic across client sites by 70% in 5 months through core page optimization and topic cluster content.
- Produced 40+ strategic content briefs and optimized on-page elements, lifting conversion rate by 25%.
- Improved brand visibility in AI Overviews using structured content, Schema Markup, and E-E-A-T signals.
- Analyzed performance in GA4 and Search Console and delivered monthly reports with KPIs and recommendations.
- Collaborated with content, development, and design teams to implement SEO best practices.

SEO Specialist | Freelance

May 2025 – Present

- Worked on 12+ projects, ranging from service websites to e-commerce stores.
- Deliver SEO projects for clients in Saudi Arabia and the Gulf, mainly in legal and medical sectors, alongside my full-time role.
- Built custom SEO roadmaps, achieving an average organic traffic growth of 90% within 6 months for most projects.
- Completed 15+ technical checks (speed, indexation, site architecture, Core Web Vitals), increasing indexed service pages by 30%.
- Researched 500+ high-intent keywords and ranked 35+ of them in the top 5.
- Built 60+ high-quality backlinks, raising Domain Authority by an average of 8 points across several sites.
- Delivered monthly GA4 and Search Console reports tracking inquiry growth and returns from organic search.

SEO Specialist | Business Spike Financial Consulting

Apr 2024 – Oct 2025

- Executed full on-page SEO (meta tags, headings, internal linking) for 5 diverse projects.

- Applied technical SEO fixes that improved page speed by 35% and enhanced user experience.
- Conducted keyword research and optimized target pages, improving rankings for 80+ keywords within a year.
- Earned 100+ quality backlinks to strengthen domain authority.
- Tracked daily ranking movement and delivered monthly reports focused on lead generation and sales growth, contributing to a 60% increase in inquiries.
